From the Principal's Desk

Firstly I would like to congratulate Mr Buckingham and our Interschool Athletics Team for their victory last week. It was very close all day and we ended up winning by 14 points. The day was very enjoyable, and all students represented our school with great pride.

Thank you to the P and C and the volunteers who helped with the Mother's Day Stall. These things require planning as well as set up and manning of the stall. If people do not support the school by volunteering to help, these events cannot take place.

Friday 17th May we have an Immunisation Clinic at school from 9.30am to 12pm. They will be able to provide flu and covid immunisations on the day. If you intend to come, please let us know how many people will be attending to ensure they bring enough vaccinations. The clinic is for anyone in our community to attend, just let us know numbers please and make sure you have your Medicare details.

We use Class Dojo to communicate with families so if you are not connected, see the class teacher or the Front Office so you can be put on and you won't miss any important messages.

Have a great fortnight.

AT SCHOOL EVERY DAY - ON TIME

Too many absences - excused or unexcused - can keep students from succeeding in school and in life. How many are too many? 10% of the school year - that's 18 missed days or two days a month - can affect students performance and well-being.

IMMUNISATION CLINIC TOMORROW

Flu and COVID vaccines at the school

9.30AM — 12PM

All welcome!!

SWAN VETERINARY HOSPITAL

Thank you to Swan Veterinary Hospital for being there when we need them. It is really appreciated!

ACKNOWLEDGEMENT OF COUNTRY

Ngala karditj noongar moort keyen kaadak nidja boodja.

We would like to acknowledge the traditional custodians of the land we are meeting on today, Whadjuk Noongar Boodja. We would also like to pay respect to the elders past and present.

Interschool Sports Carnival Champions

Last week selected students attended the interschool athletics carnival which was held at Swan View Primary over two days. On Tuesday students competed in jumps, throws, and long distance events. Then on Thursday was the sprints and team games events. Competing against two new school was fun and made for a very close competition. On the Tuesday we won plenty of ribbons in the jumps and throws, with a couple of placing in the long distance running. On Thursday we had plenty of individual winners and place getters, but it was in the senior games and the year group relays where we really shone. In a very tight competition we came out on top as the champion school. Well done to everyone on such a great effort and for doing yourselves and your school proud. Everyone had fun and enjoyed themselves which led to the great result.

A special mention to Jaylah (Room 6) who was the Year 3 Champion Girl, and to Ashton (Room 6), Anirudh (Room 10), and Ronan (Room 7) who were Runner-Up Champions in their age groups.

Thank you to everyone who helped on the two days. GO MIDVALE!

Year 6 News

The teachers from two of the Governor Stirling SHS specialist programs came to teach the Year 6s a sample lesson during the fortnight. Mr S is the Engineering specialist. He had the students make cars powered by balloons. We tested the cars out up on the basketball court. Brandon and Wika's car went the furthest. It was very exciting.

Miss Foyle, the Arts Media teacher, did an activity with the students about life drawing and different perspectives. It was incredible to see how differently we imagine ourselves to look that what we see in the mirror when we really look deeply.

The visit gave the students a lot to think about when choosing their high school for next year.
